

SCIENTIA RESEARCH LIBRARY

Dear Author/Researcher

SCIENTIA RESEARCH LIBRARY (SRL), invites you to submit research paper for publishing in Volume 4, Issue 5, OCTOBER 2016.

CALL FOR PAPERS VOLUME 4, ISSUE 5, OCTOBER 2016

Subject Category:

Analytical chemistry, biochemistry, medicinal chemistry, molecular biology and genetics, inorganic chemistry, organometallic chemistry, materials chemistry, chemistry of solids, liquids, polymers and interfaces between different phases, neurochemistry, nuclear chemistry, modern transmutation, organic chemistry, physical chemistry, Mechanical Engineering, Electrical Engineering, Computer Engineering, Software Engineering, Electronics & Communication Engineering, Environment Engineering, Telecommunication Engineering, Engineering Mathematics, Civil Engineering, Electromechanical System Engineering, Chemical Engineering, Agricultural Engineering etc. from the field of chemistry, engineering, applied science etc...,for more detail please visit our website.

Paper Submission Email IDs:

submit@scientiaresearchlibrary.com

**Deadline for submitting
manuscript:**

**OCTOBER
30th, 2016**

About SRL,

The Scientia Research Library (SRL) is ardent to promote erudite, pragmatic, and contemporaneous research work in the broad area of research. SRL has taken an initiative to setup e-Journals and categorized the research field for peer-reviewed, open access journals to be published. The aim is to provide a platform for researchers from most of the science discipline to present new research and developments in their respective area.

The SRL covers all areas of Engineering and Technology , applied science & research and applied chemistry publishing original research articles.

Paper Published in our journals are highly recognized throughout world, as our journals are indexed in many international database and many more indexing are in process.

The goal is to promote scientific information interchange between researchers, developers, engineers, students, and practitioners working in and around the world.SRL will provide an opportunity for practitioners and educators of engineering field to exchange research evidence, models of best practice and innovative ideas.

Article Processing Fees for INDIAN Author	1000 Rs Only/- Per paper (Excluding Transfer Charge) For Current Volume only
Article Processing Fee for Author's from Other Country	90\$ USD (Excluding Transfer Charge) For Current Volume only

We are Assigned with USA CODEN and ISSN :-

CODEN: JACOGN

Title: Journal of Applied Chemistry

CODEN: JASRHB

Title: Journal of Applied Science and Research

CODEN: JETRB4

Title: Journal of Engineering and Technology Research

ISSN 2348 – 0408	Journal of Applied Chemistry (IF : 4.318)
ISSN 2348 – 0416	Journal of Applied Science and Research (IF:4.427)
ISSN 2348 – 0424	Journal of Engineering and Technology Research (IF :3.829)

Our journals are abstract/indexed in many international database. Some of them are as follows :-

CHEMICAL ABSTRACT SERVICE(USA), GOOGLE SCHOLAR, SCIENCE CENTRAL, Lauinger Library Georgetown University WASHINGTON ,Cite Factor(US),Academic Keys(US), NATIONAL TAIWAN UNIVERSITY(TAIWAN),OCLC World Cat Knowledge USA,DRJI,ROAD,ULRICHS WEB GLOBAL SERIAL DIRECTORY ,JOUR Informatics Etc... and many more are in process

Submission Procedure:

Prospective authors are kindly invited to submit full text papers including results, tables, figures and references in SRL Paper Template Format (attached here with)download guideline from the site. You can submit your paper online too.
